STRENGTHEN MORE THAN YOUR BUSINESS.

Missouri YMCAs Corporate Membership Program

With our corporate membership program, it is easier than ever for your employees to be active, healthy and more productive, **no matter where work takes them.** At participating Ys, your employees can challenge themselves to reach new fitness goals, learn a new hobby or skill, foster connections with friends, or bring loved ones closer together through our family-centered activities.

HEALTHY LIVING CORPORATE PARTNERSHIP

The most successful companies foster a healthy workforce by doing more than encouraging physical activity. They promote maintaining a balanced spirit, mind and body, while also being a part of the community.

As a corporate partner, your business will be making a statement to your employees and to the community that you are committed to their health and their families' health. Our professional staff is prepared to work with you and your team to provide support and guidance along with your organization's wellness journey.
